Web Development
UI Development

PROFESSIONAL SUMMARY

Motivated BCA student building a foundation in frontend and web development, with basic knowledge of HTML5, CSS3, and JavaScript. Interested in creating clear, user-friendly web experiences and strengthening practical development skills through hands-on projects. Eager to learn, collaborate, and contribute to a professional software development team.

PROJECT EXPERIENCE

Personal Portfolio Website | **Personal Project**

- Built a personal portfolio website using HTML, CSS, and JavaScript to present personal information and web-development skills.
- Structured page content with HTML elements and organized sections for clear navigation and readability.
- Applied CSS styling to shape the layout, typography, spacing, and visual presentation.
- Used basic JavaScript to add interactive behaviour to the website.
- Project link: [Add GitHub repository or live URL]

LEARNING & DEVELOPMENT

- Developing stronger CSS skills, including responsive layouts and modern styling techniques.
- Building JavaScript fundamentals and exploring DOM interaction as part of continued learning.

ATS KEYWORDS
